WORLD DOWN'S SYNDROME DAY

Rock your socks Day Wednesday 21st March

Help us Raise awareness about Down's syndrome. None of us like feeling left out, people with Down's syndrome are no exception. An odd pair of socks may be a different pattern or colour but can still be worn together quite happily. Not wearing matching socks is to remind us that the way we think, is really important, and makes a difference to whether people with Down's syndrome feel included or not.
