SeeSaw- Will now become the main source of communication between school and our parents. Please ensure you have downloaded both the family and class apps to keep up to date. This is crucial as we head into a very uncertain period of time.

WB 28th September-this week long event helps to promote the many benefits of active travel for our young people. This is a great opportunity for us all to encourage children to take the active option and how exercise can positively impact on their health and well-being. We will engage in lots of activities within school aimed at deepening their appreciation of active travel and the positive impact it can have on our environment.

Digital Newsletter

We are very keen to move towards becoming a paperless school. We have a large percentage of our families on SeeSaw and our Website has on average of 1000 views per month. From October we will move towards a Digital Newsletter only which can be viewed on SeeSaw and the website.

Spanish Lessons Y4 – Y7

We have had our first Spanish lessons with Christina on Wednesday. It was lovely to have her back. This is a wonderful opportunity for your child/ren to gain confidence in a new language. 50p a lesson is a snip!

Zomba Action Project

Here in St. John's we will collect any old, outgrown or unwanted uniforms and send them to Malawi, where they will be greatly appreciated by Zomba school children. Please place any unwanted uniforms in the boxes in the assembly hall.

SCHOOL UNIFORM

It is fantastic to see all our children looking so smart in their school uniform. It really does make them stand out!

For PE the children can either wear their white polo tops or their green St. John's t-shirt. The PE day is going really well. Simple plain outfits are all that is required.

P.T.A.

Our first event for our children to look forward to is our Halloween Class Bubble Disco!!

This all day event will take place on the 23rd October. More details to follow!
